**An immediate report, Regards of reporting of opening prices**

**Airport City, Israel –March 08, 2019** - Unitronics published the attached Immediate Report pursuant to the requirements of the Israeli law, in connection with reporting of opening prices.

**About Unitronics**

Unitronics (1989) (R" G) Ltd. is an Israeli company that engages, through its Products Department, in the design, development, production, marketing and sale of industrial automation products, mainly Programmable Logic Controllers ("PLCs"). PLCs are computer-based electronic products (hardware and software), used in the command and control of machines performing automatic tasks, such as production systems and automatic systems for industrial storage, retrieval and logistics. The Company also engages, through its Automated Solutions Department and/or its subsidiaries, in the design, construction and maintenance services in the framework of projects for automation, computerization and integration of computerized production and/or logistics systems, mainly automated warehouses, automated distribution centers and autonomous parking facilities. The Company's PLCs are distributed by over one hundred and sixty distributors (and a wholly owned US subsidiary) in approximately sixty countries throughout Europe, Asia, America and Africa. The services of the Systems Department are provided to customers in Israel and also outside Israel.

This press release contains certain forward-looking statements and information relating to the Company that are based on the beliefs of the Management of the Company as well as assumptions made by and information currently available to the Management of the Company. Such statements reflect the current views of the Company with respect to future events, the outcome of which is subject to certain risks and other factors which may be outside of the Company's control. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results or outcomes may vary materially from those described herein as projected, anticipated, believed, estimated, expected or intended.

(the "Company")**

**Re: An immediate report, Regards of reporting of opening prices**

**Pursuant to regulation 36(a)  
to the Israeli Securities Regulations (Periodic and Immediate Reports), 1970**

Further to the publication of the Split Prospectus and the listing for trade on the Tel Aviv Stock Exchange Ltd. (Hereinafter: "the Prospectus") and the adjustment of the Company's share price on the Effective Date and the share price of Utron Ltd. (hereinafter: "Utron") on the date of commencement of trading in the shares of Utron, the Company is honored as follows.

On March 10, 2019 (on the effective date), the opening price of the Company's share will be adjusted following the split and will amount to NIS 12.60. The price is determined by multiplying the relative share of the Company's equity after the split in the Company's equity before the split as of June 30, 2018 (which stands at 0.472) in the amount of NIS 26.70, which is the closing price of the Company's share on the trading day prior to the determining date (7.3.2019).

On March 14, 2019 trading in the shares of Utron is expected to begin. The share price of Utron at the beginning of trading in the shares of Utron will be NIS 14.10 The price is determined by multiplying the pro rata share of the capital of the Company by the equity of the Company before the split as of June 30, 2018 (which stands at 0.528) which is the closing price of the Company's share on the trading day prior to the determining date (7.3.2019).

Date and time when the corporation first learned of the event or interest:
