Airport City, Israel,
January 2 , 2019

*****Regulated Information*****

*****For Immediate Release*****

An Immediate report

Airport City, Israel – January 2, 2019 – Unitronics published Immediate Report pursuant to the requirements of Israeli law.

Further to the immediate report of the Company dated November 4, 2018, reference no. 2018-01-099637, regarding the signing of an agreement to freeze the project for the construction of two autonomous parking lots in New York, USA ("the Agreement" and "the Project"

Hereby declare that the freeze period pursuant to the agreement was terminated respectively) without the project being renewed and thus the original agreement for the construction of the .parking lots was terminated

As part of the implementation of the agreement to freeze the project, payments were paid to the .Company, and as a result, the Company's profitability was not affected

About Unitronics

Unitronics (1989) (R" G) Ltd. is an Israeli company that engages, through its Products Department, in the design, development, production, marketing and sale of industrial automation products, mainly Programmable Logic Controllers ("PLCs"). PLCs are computer-based electronic products (hardware and software), used in the command and control of machines performing automatic tasks, such as production systems and automatic systems for industrial storage, retrieval and logistics. The Company also engages, through its Automated Solutions Department and/or its subsidiaries, in the design, construction and maintenance services in the framework of projects for automation, computerization and integration of computerized production and/or logistics systems, mainly automated warehouses, automated distribution centers and automated parking facilities. The Company's PLCs are distributed by over one hundred and sixty distributors (and a wholly owned US subsidiary) in approximately sixty countries throughout Europe, Asia, America and Africa. The services of the Systems Department are provided to customers in Israel and also outside Israel.

This press release contains certain forward-looking statements and information relating to the Company that are based on the beliefs of the Management of the Company as well as assumptions made by and information currently available to the Management of the Company. Such statements reflect the current views of the Company with respect to future events, the outcome of which is subject to certain risks and other factors which may be outside of the Company's control. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results or outcomes may vary materially from those described herein as projected, anticipated, believed, estimated, expected or intended.
